

ACHMAD RYAN FARDIANTO – Bachelor of Business Administration

Bandung, West Java | Telp: 0857-2387-8064 | LinkedIn | ryanandyn0110@gmail.com

I am a Business Administration graduate from Telkom University with a strong interest in marketing, business development, and business analysis. I am an ambitious, reliable, and detail-oriented individual with strong public speaking and communication skills, developed through my involvement in campus organizations and my experience as part of Marketing Communication team at Marketing Crew by SMB Telkom. My academic background includes business operations, operations research, business statistics, design thinking, and marketing. I am eager to apply my knowledge, contribute to business growth, and continuously develop my professional skills.
